SMART MARBLE

VERSATILE AND TIMELESS
SLABS FOR ANY SPACE.

9 MM
THICKNESS

IBIS is a flourishing center for Italian design and tiles. Ibis is a new conglomerate that offers a rich array of products and services in terms of design and manufacturing of tiles. Ibis represents unparalleled technical, artistic and organizational standards that distinguish it from its peers.

IBIS is the essence of years of rigorous research. In its core efforts, Ibis epitomizes the urge to establish new standards and norms in the industry.

Over decades of experience has gone into the makings of this ambitious venture that is set to revolutionize art and craft of manufacturing tiles. Based on ground-breaking research, Ibis has conceptualized its ravishing designs and world-class manufacturing process.

SMART MARBLE

THE NEW FRONTIERS OF
SMART MARBLE FROM INDIA

System Lamina Is Famous Worldwide For Its High speed, flexibility and sustainability are the key features of the innovative ceramic press without mold for tile industry and the full recovery of material coming from the pressing and cutting phase for a state-of-the-art sustainable industry.

CONTINUA+ is the most efficient, highest-productivity technology for the accurately managed manufacture of porcelain slabs and tiles, also producible with traditional bodies. The slabs are, in fact, formed without using a traditional press or mould, ensuring maximum flexibility in terms of size and thickness.

CONTINUA+ seamlessly integrates the powder forming phase and subsequent digital decoration. The key strengths of this exclusive process are high quality texturing and unrivalled surface shine.
